They say it takes all sorts, and – who knows? – maybe ‘they’ have a point. The world would almost certainly end up being a pretty dull place if we were all the same. Here at *Club*, though, we have a slightly different outlook; yes, it takes all sorts, but only if they’re as fit as fuck. Much as we believe in diversity and equal opportunities for all, when it comes to inclusion in our mag, if a girl’s not up to scratch, she ain’t getting in! Yes, we know, it’s non-PC gone mad, but what are you going to do?! – The Ed. ♣

HUBBA-BUBBA!

I just wanted to write in to thank you guys for printing the pictures of the reader's girlfriend Zoe in this month's issue (36.05). As well as a gorgeous face and a fit as fuck body, the real highlight for me was her fantastic bubble-gum pussy lips! I've always loved girls with something to nibble on down there, and Zoe's cleanly-shaven pussy is one of the best examples I've seen in ages! That picture of her on page 55 has been getting quite a bit of attention here over the last couple of weeks, I can promise you!

Keep up the good work!

Gavin, Stoke.

A-BONER-THERAPY

I was at a family wedding earlier this year, having the same polite but boring conversations with family members I hadn't seen for years, when I bumped into my wife's younger cousin, Vicky. She's only 22, but has always been on the flirty side with me. She has shoulder length brown hair, greeny-blue eyes, full sexy lips and a body that would make any grown man drool – the sight of her fit little arse wrapped in the thin dress she was wearing that day was probably enough to give even the vicar thoughts of bending her over and giving her what for from behind!

Anyway, as I said, whenever I spoke to Vicky she was always pretty flirty, although I was never really sure if she was just cock-teasing. To be honest I suspected the former, because

I'm not really the type to fuck around behind my wife's back – although I was pretty sure I'd make an exception for Vicky, should the opportunity ever arise!

As we chatted, Vicky asked me if I fancied a dance, and while I certainly did, I told her I'd have to pass, thanks to a thigh injury I'd picked up playing football a couple of weeks earlier.

She looked at me for a moment before saying, "I've just started working at a beauty salon in town – if you come along next Monday I'll be able to give you a special

aromatherapy massage that should help your thigh."

I don't know whether it was her use of the word 'special' that aroused my interest, but either way, there was no chance of me turning down an offer like that, and Vicky's eyes seemed to twinkle as I told her I'd definitely be there.

For the whole of the following week I couldn't think about anything apart from Vicky's pretty face, sexy legs and curvy little bum – I swear my cock was never soft for more than about 10 minutes before I remembered our appointment the following Monday. In fact I was so nervous with excitement I'm sure my wife thought I was coming down with something!

After the longest 8 days of my life, the Monday morning finally arrived, and I presented myself at the salon, where I was shown into a private treatment room by the middle-aged

LIFE IMITATING TART

I couldn't believe it when my latest *Club* arrived last week – the girl in there called Ashlyn looks just like my current girlfriend Gabby! I had to do a really close inspection (both of Ashlyn and Gabby) before I was able to convince myself it wasn't her – Gabby's got a couple of moles that I couldn't find in the pictures! Now I'm in a bit of a quandary, I want to show Gabs the magazine, but I'm not sure how she'll take the news that I get *Club* every month...

Jamie, Reading.

If your girl looks anything at all like Ashlyn you're one lucky bugger, but if you want to show her the pics, why not pretend a mate gave you his copy because he'd spotted the similarity? We bet she'll love it! – Ed.

receptionist, who told me to undress and lie face down on the table and cover my lower half with a towel, adding that Vicky would be with me in a few minutes. I did as I was told and lay there, an unwanted stiffy pressing into me, for about five minutes before my sexy cousin-in-law walked in. She looked a million dollars, in a formal looking tight white tunic that came down to the tops of her bare, tanned thighs, while her juicy tits pressed against her tight top, seemingly eager for release.

After exchanging a few pleasantries Vicky told me to put my head down and relax, which was easier said than done. She started by massaging the backs of my legs, rolling up the towel as she went along until it felt like it was barely covering my arse. I was pretty sure she must have a good view of my bollocks, and I was desperate for her to massage them, so I gently allowed my legs to fall open slightly further to make it easier for her – but her hands always came short as she worked on my upper thighs. Only once did her finger brush against my ball-sac, and I couldn't help giving a sigh of pleasure, but much to my frustration it didn't happen again. Then she covered my legs with the towel and moved up to massage my back.

“Only once did her finger brush against my ball-sac, and I couldn't help giving a sigh of pleasure...”

“Oh well,” I thought, “so much for that!”

While she'd been doing my legs my cock had been rock hard, but now she started on my back and shoulders I was soon completely relaxed, and the old man followed suit. So I'd got the wrong idea – but at least this was still a damn fine massage.

Once she'd done my back she told me to turn over, even holding the towel up so I wouldn't be exposed to her, which rather reinforced the idea that I was in for an ultra-professional massage. Now I was on my back I had a better view of the room, and also of Vicky, who had her back turned to me and was bending over preparing some more oils, which gave me a great chance to eye up her perfect, long tanned legs running all the way up to the sweet outline of her arse cheeks, which her uniform barely concealed. Looking back over her shoulder, I'm sure she caught sight of me ogling her, and she smiled and asked me how I was enjoying it so far.

I croaked that it was great, thanks, hoping that she wouldn't notice the swelling of another enormous hard-on under the heavy white towel!

She set to work on the front of my legs, easing the towel further

STATE OF UNDRESS

Have a guess where you think American hottie Dakota's from...

Hmm, Dakota – that’s an unusual name. Tell us, does it bear any relation to where you come from?

“Well, as it happens, you’re right! I’m from Bismarck, North Dakota. I’m very proud of my home state, and I wanted everyone to know about it. I changed the spelling to Dakota, because that’s how we say it up there!”

And we bet your state is very proud of you, too – after all, it’s not every girl in the world who’s cute enough to open an issue of *Club International*. Tell us, are all the girls up there as horny as you?

“I’d say they’re mostly pretty horny, yes – it can get very cold up there in the winter, and we need to do something to keep warm, after all.”

Well, thanks to your exposure, we’re sure a lot more people will be interested in visiting. And thanks to the exposure of that delectable snatch of yours, we’re starting to feel a bit peckish. Would you mind if we, erm, travelled south, Dakota...? ♣

DAK

DOWN THE WIRE

What's been keeping Club's network of global correspondents busy this month?

YOUR LEGS IN THEIR HANDS

A gallant Swedish police officer recently endured four operations at a private clinic in Gothenburg to rectify a birth condition that made one of his legs shorter than the other, only to learn from idiot surgeons that they had cut too much off the longer leg, so that it is now considerably shorter than the other short one.

A FARE DEAL

Australia's Queensland Rail agency has been kind enough to offer refunds to passengers on a Cairns-to-Brisbane train which crashed just outside Cairns. However, the agency still says that it refuses to pay fare refunds to the survivors of a November 2008 Brisbane-to-Cairns train crash that killed two and injured a further nine.

The difference, according to a Queensland Rail general manager, is that the 2009 trip was just getting underway from Cairns when it crashed, but that last year's trip, also near Cairns, was "95 percent over" by the time the fatal crash occurred. Consequently, the survivors had basically reached their destination, and maimed, dead, or not, they had all had their money's worth.

BEETLES ARE THE FIRST STEP IN TECHNO-APHID-ATION

In a move eerily reminiscent of the modus operandum of fictional *Star Trek Next Generation* entities The Borg, who press-gang other species to join them by forcibly incorporating biological thingies with mechanised and technological components which make individuals do the will of the hive mind, University of California researchers on a Pentagon contract have announced success in rigging a live flower beetle with electrodes and a radio receiver to enable scientists to remote-control the insect's body, flight and eye movements.

Pulses sent to the bug's muscles or optic lobes oblige it to take off, turn left or right, or hover. The poor beetle – almost certainly the first recruit in future squadrons of hijacked bugs – also carries a tiny camera, allegedly giving the beetle military uses, such as "surveillance" or "search and rescue". Researchers admit that they abandoned attempts to mimic nature by developing robot beetles when they realised they couldn't improve on the real thing.

up my thighs as she went, until once again I could feel

fresh air on my ball-sac. As before, her fingers ran close to my balls, but again, there was only one seemingly accidental brush against them. This time, though, I was able to eye up her sexy young body as she worked, making my stiffy ache even more as the top of her bra-less tits hung invitingly before my eyes. To be honest, by this stage I thought I was going to go round

the bend!

Finally she finished my legs, and said, "I'll just do your chest and stomach – it's really good for the digestion."

Standing behind my head, she leant over me to roll the towel down my stomach, and I gulped as her firm boobs brushed against my face. Suddenly she let out a little yelp of surprise as she rolled the towel further,

MAGS RULE!

I hadn't bought an adult mag for a while (too lazy – the internet etc.) but I was away from home for a few days last month and, just for old time's sake I picked up the latest *Club* when I stopped at a service station. Wow – I'd forgotten just how much better it is to flick through a shiny new magazine in comfort than it is sitting at a computer desk trawling for filth! What a fantastic selection of girls, too! We all know how hot Stella is, but I've given just as much attention to Beth, Monica, Evelyn and the others, and now I can't want to pick up the next issue – I even quite enjoyed the thrill of buying it!

Alan, via email.

We do our best! Don't forget though, a digital version of *Club* can be found at www.magazinesondemand.co.uk. And if you take out a subscription, you get the first 3 issues absolutely free! – Ed.

AUTO EROTIC!

Interested in motors? Got a (smallish) coffee table? Then why not match the two up with Dorling Kinsey's *The Illustrated Encyclopedia of Extraordinary Automobiles* (£12.99), which celebrates 150 of the world's most eye-catching cars? They're not all racers (although there's plenty for the speed merchants) – so aside from the Deloreans, and Ferraris there are plenty of oddities thrown in as well, like BMW's bubble car and Reliant's barking Bond Bug. Our fave, though, is the astonishing Alfa Romeo BAT (left) – who the fuck wouldn't want one of them?!

revealing my throbbing eight inch erection. I stammered some sort of apology.

"It's fine," she giggled, "it happens all the time with you guys. At least I know you're enjoying yourself!" And with that she covered it up again and began massaging my chest and stomach, her hands occasionally brushing against the sides of my cock as she ran them under the towel. Again I apologised, but again she told me not to worry, adding that she only wished she could get a massage herself as enjoyable as the one she was giving.

Placing a hand on the back of her leg, I told her I'd be more than happy to reciprocate, but she didn't say

DANCE & DEFECTION

48 YEARS AGO – NUREYEV DEFECTS

1961: High-kicking gay ballet superstar Rudolf Nureyev, fearing, with some reason, that the KGB distrusts his commitment to the communist party, quite literally prances into the arms of fawning French officials in Paris and defects in tights and tutu while on tour there with the Kirov Ballet.

Resolutely scornful of the wrath of the Kremlin, Rudolf has a fab time in the West for three decades, as does his boyfriend Erik. He even returns to Russia briefly in 1989 to visit his old dutch with the official blessing of President Mikhail 'Gorbachev' Gorbys.

It all ends sadly, however, when Rudolf winds up perishing of AIDS... an even more terrifying acronym, it turns out, than KGB.

INTERNATIONAL POLITICS

17 YEARS AGO – MR POTATOe HEAD SHAMES DADDY BUSH

1992: In the course of a spelling bee at a Trenton, New Jersey elementary school, infamously stupid and arrogant U.S. Vice President Dan Quayle corrects a little kid's spelling of the word "potato", stressing that the word should have an "e" at the end.

It is only after this incident is screened on news bulletins in America and Britain that the West realises that a congenital idiot is only one heartbeat away from the US presidency, and starts to take an interest in George Herbert Bush staying healthy.

Little does the world suspect that eight years later an even more feckless and dangerous congenital idiot will be no heartbeats at all from the presidency.

TECHNOLOGY & COMPUTING

11 YEARS AGO – WINDOWS 98 POPS UP AND NAGS

1998: Bill Gates launches Microsoft Windows 98, the first computer operating system from Microsoft to make grown men around the world sit for hours in front of the blue screen of death on their computers and sob uncontrollably.

Later he will occasion thousands of suicides, shootings and broken marriages with the first edition launches of Windows Millennium, Windows 2000, and Windows XP, which will send all the blokes Bill made sob

ACTING & BOX OFFICE OPPORTUNITIES

48 YEARS AGO – K-19 SUBMARINE MELTDOWN

1961: Russian submarine K-19's nuclear reactor starts leaking, providing much-needed acting work for an ageing Harrison Ford and numerous other thespians whose homes and kids' college tuition fees were paid for by their being cast four decades later in the blockbuster disaster flick *K-19 The Widowmaker*, a 2002 movie which has been shown at least twice a week on Film Four for the past X number of years and we're thinking maybe Film Four should buy some bloody new films in, or finance some, or something.

CANDID CAMERON!

Without any further ado, this cutie wants to get down to the nitty-gritty...

PHOTOS: RB KANE

Last time (and, in fact first time as well) we hooked up with this delectable hard-bodied blonde, she was giving it the secretarial, trying to look all efficient and businesslike while at the same time fingering her sweet little pussy under the desk. Not an easy thing to pull off, to be honest, but she gave it a damn good try. This time round, though, all thoughts of work have gone out of the window, and we've tracked her down to her boudoir to see what she likes to get up to when she's away from work. And would you believe it, it's tating around and playing with herself... again!

But before we start getting all judgemental, ask yourself this – if you had a body, a face and a juicy pink pussy like that, wouldn't you be tempted to stay at home all day and play with yourself as well? OK, so what with being a young girl you'd probably also have other things on your mind as well – shopping, boy bands, reality TV and that sort of guff, but when it comes down to it, none of those things can compare to a really nice, leisurely wank in your own home, can they? So hats off to Cameron – we salute you. And, looking at that snatch, I think we might just join you, too... ♣

FILM STAR DATING ADVICE: HOW TO PROFILE YOUR WAY INTO SOMEONE'S KNICKERS WHILE LOOKING INCREDIBLY SOULFUL AND SOLEMN

**LANCE HENRIKSEN a.k.a. FRANK
BLACK from MILLENNIUM**

My name's Frank Black, I'm a former profiler with the FBI and nowadays, subsequent to two mental breakdowns brought on by confronting Evil, I consult for the Millennium Group, a body made up of freelance ex-law enforcement experts and people with low-rent special abilities: e.g. none of them can fly, or travel through time or walls.

I see what the killer sees.

It's my gift.

One of the things I never talked about on the show is that I sometimes see what a woman looks like naked. And not all of the women I see in this fashion are dead or decomposing. It's just a brief flash of insight: a series of shocking images. A tit, for example. Her bush, if she has one. The back of a well-turned calf.

I see what the potential boyfriend sees.

Fact is: I'm convinced that most other men have this gift, but in a raw, disorganised state. They need to develop it. They need to develop the ability to see beforehand, in their mind's eye, as I do, what a woman looks like under her clothing, to check for things that might put someone off if they were to have sex with them, such as flat, droopy breasts, a spotty arse, or, most importantly whether or not they've got crabs or STDs. Terry O'Quinn, who plays my colleague, Peter Watts, knows how to do this too.

It's one of the abilities which, after

Millennium finished its run, got him cast as a super soldier in *The X-Files* and one of the stars of *Lost*.

Another thing the reader ought to know, in order to survive out there on the dating scene, is how to profile women. Profiling is a big subject, much too big to go into here, but what I can tell you about the female you ought to be out there looking for is this:

The subject will be between 19 and 40 years of age, voluptuous and fairly tall, with good bone structure, terrific curves, and splendid tits. Mentally, she won't be the sharpest pencil in the drawer, but she'll have an unusually high sex drive, and be easy to control in bed.

I hope that helped. That's as much as I can tell you at the present time. If you have any difficulty putting all these traits together to form a mental image of your dream woman, just imagine my wife, Katherine Black, who went off by herself to die in the woods the night my hair turned white.

Also, that blonde bit, Lara Means, who said "Here's my thing" all the time, was an out-and-out hottie. These are the sort of victims – excuse me – women that you should be aiming for.

to run her tongue up and down my length. She also took a good bit of time sucking on my balls – something which my wife has never done – before finally taking my throbbing bell-end into her eager young mouth. All the while I was lapping away at her sopping wet mound and occasionally rimming her delicious little arsehole, poking my tongue up as far as I could and making her squirm with excitement.

After few minutes of this she stopped, climbed off and walked round the side of the table before getting back on, this time facing me. Taking my hardness in her hand, she guided it into the warm confines of her slippery pussy before commencing to ride me, slowly and rhythmically. Reaching up, I unbuttoned her tunic, letting her pointy tits bounce free. As her rhythm picked up she leaned forward, allowing me to tease her stiff nipples with my tongue and teeth while slipping a hand round behind her to play with her arsehole, which drove her wild. I could tell she was about to come, and all of a

sudden her eyes rolled back in her head and she did her best to stifle her moans as she came uncontrollably, spasming all over, the contractions of her sodden cunt gripping my cock deliciously.

When she'd finished coming I was all set to slam my cock into her and fill her with my seed, but she suddenly climbed off me, telling me she wanted to taste my spunk in her mouth. She didn't have much work to do, slipping her pretty lips back over my helmet and sucking gently on my oily prick, slurping off her own juices while stroking my shaft with both hands for half a minute or so before I could hold back no longer. I tensed all over as I felt a thick jet of my creamy come shoot into her mouth, followed by another and another. I'd been saving this up for over a week, but she managed to take it all, greedily swallowing it down before licking my throbbing cock clean! After that we cuddled up for a bit before getting straightened up.

I've been back to have my 'thigh' massaged a couple of times a month ever since, and I've been getting all sorts of sympathy from the wife about how it must hurt. I haven't mentioned, though, that it's her sexy young cousin who's been doing the massaging!

anything, and just carried on working on my chest.

Slowly I slid my hand up her leg, massaging as I went, until it was under her tunic, where I made contact with one of her pert little cheeks. Far from protesting, Vicky let out a breathy sigh, her face reddening as my hand continued on its journey towards her panties.

After what felt like an age I reached them, and slipped a couple of fingers inside, desperately seeking her tight little fanny. By this stage all pretence was finally over, and Vicky left off my chest and moved her hands down to my aching cock and balls, grasping my thick shaft and

slowly wanking it with one while softly rubbing my balls with the other.

I was also using both hands now, and slipped off her pink panties to reveal the sexiest little arse I'd ever seen. She was bent right over me now, going to town on my cock and giving me the perfect view of her cunt and little rosebud of an arsehole. I couldn't resist leaning up a bit and running the tip of my tongue over her bumhole – which made her squeal – and then on to her juicy pussy. Her hard little clit tasted so sweet as I nibbled on it, and Vicky straddled my face properly then, at the same time wiping the oils off my cock with the towel and starting

Got an iPhone 3G? Of course you have! Unless you're a Luddite – or a mental. Enjoy the 10-minutes battery life it gives you? No, no more do I. Particularly when I'm hiding down a pitch black, freezing cold alleyway trying to quietly source the code to the hostel door, while a gang of angry Russians loudly search for me. Well, now thanks to Santok's STK, you might fare better than me.

A quality leather case with a rechargeable Li-ion polymer battery built into it, wrap your iPhone in this beauty and – ta da! – up to 300-hours extra standby time, 7-hours talktime or 24-hours music playback. Finally, you might just be able to make it through a life-saving conversation without the fucking thing cutting out two digits into a four digit code...

iPhone, plug these in and say good riddance to 85% of ambient noise and the gibbering of all those around you!

Plus, with a cut-button on the controls, you'll never miss the stewardess asking you if you'd like to pay £10 for a bag of booze. Perfect!

Now normally I'd say that what happens on stag stays on stag, and cameras of all types should be left behind at the airport in a bid to protect the guilty. However, if you must take something along to record a particularly frisky lap dance to later load up on Facebook or Twitter, or any of the other social networking sites, then you won't get more discreet or cunning than this: the Flip Mino HD.

Small enough to slip in a jacket top pocket, yet packing the ability to record in High Definition 720p video, for 60-minutes onto the inbuilt 4GB memory, and then playback in glorious widescreen 16:9 on your TV when back in the safety of Blighty and free from them horrible Foreigns. Top banana, in fact. Although, depending on the strip club, it could be a much lower banana. ♣

WANT TO KNOW WHAT MAKES THE PERFECT PORNO BLOWIE? WE'VE TRACKED DOWN SOME OF THE BIGGEST NAMES IN THE BIZ, JUST SO WE COULD FIND OUT...

We've all seen those porn girls swallowing cock like they can't get enough of it. OK, so they're doing it because people are giving them money, but for a lot of them cocksucking is a genuine calling! Seriously, they fucking love it!

Taylor Rain:
always
thinking
about cock!

TAYLOR RAIN

Why would a supermodel-calibre girl like porn star Taylor Rain agree to swallow the come of ten strangers on film? Well, because even outside the porn world she lives for sucking cock, of course! We know some girls are addicted to sucking dick, but Taylor stands head and shoulders above most out there. You can blow your load wherever you want, on her face, on her small natural tits, or her personal favourite; all over her cute shaved pussy after she's done sucking your dick dry.

"So many people have asked for my advice on how to give a great blow-job. There are a lot of reasons I haven't been able to answer. First of all, my style is pretty instinctual. I don't really go out of my way to try to be good at giving head, I just always have been. It's something I fantasize about when I'm out shopping for groceries or walking the dog. I'm just always thinking about cock. So for all I know, the stuff I'm consciously doing is less important than something I'm unconsciously doing. Besides which, I'm pretty sure if I tried to analyze the sloppy-mouthed voodoo I perform when I give oral sex, it wouldn't make sense at all. It's all about enthusiasm – and saliva!"

MICAH MOORE

Micah is only 20, yet with her blow-job skills she's as good as any seasoned come-eating porn vet twice her age. She is the perfect package as she wraps her lips around a thick hard cock anticipating the thick gooey load that's about to be splattered all over her face and in her mouth. She loves it, and we love

Micah Moore likes to slap cocks against her face

Carmella
"You couldn't

girls like Micah who love showing off their sucking skills on camera.

"At least once during the blow-job, I usually pop his dick out of my mouth and slap it against my tongue or face, then look at him while I rub his cock against my cheeks and lips. Guys are visual; this is a little something dirty for him to look at."

CARMELLA BING

Where better to blow your load than all over this broad's sexy custom boob job! Carmella has no gag reflexes at all; in fact she truly appears to love taking the shaft as far as it goes. Combined with a vulgar look and an Italian passion for sex, it's balls deep for this popular porn star.

"I'm certainly not embarrassed of what I'm doing. I want him to watch me sucking on his big cock, and eye contact is important. I move my hair out of the way, so it doesn't block the view. And I try to always rest my body by lying on

Misty Love: any time,
any place, anywhere...

my side over his legs facing him so he can see my big boobies too. Of course tit-fucking is always on my repertoire, but according to my porn reputation, an extra-wet "hummer" is what I do best. The humming sound causes my tongue to vibrate against the shaft and head of his cock while I suck deep. This method is a favourite of many men; I've been told I do it better than anyone else in the porn business."

HEATHER GABLES

This fresh-faced cutie entered the porn industry and within months she turned into a cocksucker extraordinaire. You can see the shyness in her first movie clips, but Heather quickly picked up the pace and today she especially loves the messy facials that gets plastered on her face after she sucks to perfection.

"I look rather innocent, so outside the porn world men don't expect me to be so skilled. But the truth is, I must have sucked hundreds of cocks by now. Eye contact is my trick. I think all men

love to see a pretty girl in front of them, enthusiastically licking and sucking. I love to see a guy squirming from pleasure while his cock is in my mouth, trying to keep the climax back but exploding in my mouth. It's poetry in motion."

SASHA GREY

This self-proclaimed Fuck Junkie of Porn's oral skills are second to none. At 19, she loves giving double blow-jobs, sucks cocks like she is possessed and creates ridiculous amounts of spit and slime. On top of all this, she never, ever dodges the jizz blast. Yup, Sasha Grey is a good time to be had by all. Thanks to her porn career, Sasha has become an expert in the "Upright Citizen", a rather complicated and advanced blow-job technique where the recipient stands at the side of the bed.

"I usually lay on my back with my head hanging a bit over the side. The bed has to be high enough so that my mouth is as high as his cock. The bend in my neck allows for maximum penetration of my mouth, so it's a sexy position and a great visual for the guy. But I'm warning you, this face fucking technique will not work on your futon..."

HANNAH HARPER

Home-grown Hannah couldn't stop sucking cock if her life depended on it. After several years in front of the camera, this 26-year old girl slobes the knob so skillfully that she is often rewarded with a blistering throat fucking. And don't miss watching her gag reflex disappear when a big black dick gets forced into her mouth. Hannah is a trooper.

"We're professionals. We have had tons of practice. Most random chicks just

Sasha Grey
doesn't

upstanding
citizen to us

can't do what porn starlets do, no matter how hard you try to push your cock into their mouths. Respect that only a few talented porn actresses can fit an entire male member into their mouths, and your average civilian gal can only get a bit in. But hey, you can always ask her to take one – or if her mouth is big enough, both – of your balls in her mouth instead of simply licking or stroking them. This is called "Tea Bagging" in porn lingo. Bet you will never look at your Earl Grey the same way!"

FAITH LEON

Married to a porn bloke in real life, Faith gets about as much cock as she could ever imagine, and it's clear she loves the gobs of splooge she encounters.

"All guys are different, and porn studs are no different than regular Joes. If I simply want to get a guy off as quickly as possible, all I need to do is lock my lips at the base of his cock and suction them up and down the bottom of his shaft at a quick, steady pace while pressing my flattened tongue against the underside of his dick. I make sure I apply pressure with both my lips and tongue. Keeping my tongue engaged at all times is key. This is how I get 99% of guys off, porn studs as well as civilian guys. An in line finger tip firmly placed at the taint, between his anus and scrotum, just prior to his climax adds an additional 10,000 kilowatts. Expect a deep pleasure moan that you will never forget."

REBECA LINARES

This horny young Spanish babe has a true passion for cocksucking and loves facials even more than paella. Rebeca is very photogenic - especially with a penis in her mouth. In her movies, she is known for her exceptionally sloppy blow-jobs and for spraying her gorgeous face with spunk.

"I'm not afraid to just slobber all over his love muscle. As long as I keep my teeth away, I can attack it like I mean it. I don't discriminate; I totally enjoy draining the nuts of men of all colours and races as well as any dick size. If I'm having a bad day, I just pretend his cock is beer-flavoured so I won't disappoint. His cock should be as wet and sloppy as possible, especially in the beginning. A good blow-job makes loud, gross suction-y noises. When I'm done, I'm usually covered in my own

Faith Leon wants to finger your biffen's bridge...

drool and his come, and I leave a wet spot on the bed."

MISTY LOVE

Black babe Misty Love is every porn viewer's juicy dream. Her sweet lips wrapped around a cock would cause any

man to instantly blow a load of jizz down her throat, but that's OK because she swallows...

"I love to surprise the guys I fuck. Standing up? While he's on the phone? Sleeping? In the shower? Driving down the freeway? While hiking? During a fight? In the bathroom at a wedding you both don't want to be at?

All are

great places for a girl to initiate a blow-job. Men don't care where you are - they are getting head. But anything of a surprise is a guaranteed good time, and oral is great for a quickie when they least expect it.

"I can't really teach anyone how to deep throat, that's all about your gag reflex. The important thing, I think, is to make an effort to take him in as deep as possible, even if it's only for a few seconds. I try concentrating on relaxing my throat and jaw. It helps me to steady his cock with my hand when I go deep, and breathing in instead of just holding my breath also helps. And I get really upset if I don't get to swallow!"

RENAE CRUZ

Renae claims she was an expert long before she entered porn, and she says in her case, it's a natural talent. She radiates passion and purrs like a cat as she orally services multiple rods...

"I worship the cock. I keep the lights on because I want to see it glow. I usually alternate between my pussy and my mouth to keep the cock wet, but when it's time for the reward, I make sure my lips are there to catch all the man juice. People always ask me how I can create so much saliva. A great old porn trick is to get some strong cinnamon flavored mints and suck on them while giving head. It makes you drool a lot as well as making the cock taste like candy. Yummy!" ♣

EX on Wheels!

Reckon the current economic crisis is for the proles? Then why not rub their grimy faces in it by splashing out on the new Rolls-Royce 200EX?

Every Sunday afternoon, thousands of men up and down the country disappear to their garages to tinker with their cars. Cleaning, polishing, restoring, reviving – you name it, it all goes off. But for Rolls-Royce owners, it's different. Theirs is a car to be cherished. Many just stand there in their lock-up, staring at their beautiful, prized possession. Loving it. Lusting after it. Doubtless some even rubbing their cock against the famous Spirit of Ecstasy badge.

The Rolls-Royce brand has long represented the ultimate in desirability and luxury. Membership of its exclusive ownership club is for

it certainly looks less brash.

Bosses claim its appearance isn't as formal as previous offerings – and nowhere is this more true than at the front end. While the large grille is unmistakably Rolls, and owners will still be able to pleasure themselves on the emblem sprouting up from the top of it, the air intakes in the nose resemble those of a jet engine. They curve inwards with vanes set into the opening. LED headlamps complete the modern look, although the long bonnet and short overhangs are classic styling cues.

What gives the newcomer its more dynamic feel is without doubt that sexy rear end. It tapers

the benefits are clear when you open the rear-hinged back doors. They swing round to an angle of 83 degrees – so even the fattest of billionaires will be able to squeeze their enormous arses through the opening and into the cavernously spacious interior.

There they can then sink into the sumptuous Crème light leather seats and bury their feet in the thick-piled Cornsilk carpet. This may be a downsized Rolls, but it's still in the big league for luxury. No expense has been spared or stone left unturned in the pursuit of optimum comfort for driver and passengers. It's a breathtaking place in which to spend time.

Up front, the layout is clear and simple. Even those tasteless Germans appreciate they can't shove a load of tacky buttons in

Even the fattest of billionaires will be able to squeeze their enormous great arses through the opening into the cavernously spacious interior.

a select, wealthy few. But in these difficult times, even Rolls has been forced to downsize.

Of course, it's all relative: small to the Sussex-based, German-owned marque is still pretty big. The new 200EX will dwarf pretty much everything else in a posh golf club car park, but compared to the fuck off-sized Phantom, it's relatively compact.

It points the way to Rolls-Royce's Bentley Continental Flying Spur rival, and bosses are said to be considering reviving the Silver Ghost badge for this car. Yet there's nothing spooky to make you shit your pants here: switching to the baby Rolls doesn't mean you will have to compromise on style. If anything, the newcomer has a more convincing shape than its brutish big brother, and

down from the C-pillar beautifully, and becomes narrower from the powerful shoulders backwards. It's a wonderfully flowing shape that hints at the blend of performance and, yes, agility on offer.

Even though it's being lauded as the baby Rolls-Royce, the 200EX measures nearly 5.5 metres in length. There's more than three metres between the seven-spoke, 20-inch alloy wheels. And

here, so the gorgeous dashboard – trimmed in ultra-exclusive Santos Palissander wood veneer, naturally – couldn't be more straightforward to get on with. Just be ready to shudder in horror if you're a Rolls traditionalist: the firm has seen fit to introduce a cabin control system similar to that in those frightfully common Mercedes and Audi cars. Then again, the rollerball set-up will be a delight to use for anyone born within the last half century. It gives access to the variety of menus in the central screen, and works as well as any rival technology. But its very presence will cause all manner of harrumphing disapproval among the old school British elite.

The suspension smooths the slightest of imperfections in the tarmac – in a way that only a Rolls-Royce can do.

Equally horrifying is the thought that the 200EX borrows a lot of its mechanical architecture from owner BMW's latest 7-Series. This is something Rolls is obviously keen to play down, although when you hit the road in the car, you wouldn't have a clue. Given its considerable size, the newcomer's natural habitat is the straight, open road, where the advanced suspension smooths out even the slightest of imperfections in the tarmac – in a way that only a Rolls-Royce can

do. The steering responds impressively quickly to even the most minor inputs, while the body is surprisingly well controlled through corners, but these are the fruits of part sharing that owners won't mind getting their chops round.

Performance is shattering, too. This car doesn't have as much power as the Phantom, as the bigger Rolls' 6.75-litre has made way for a lighter, more efficient 6.0-litre V12 in the 200EX. But it's no less

brutal. Only when you're really harsh with the throttle do you hear any rumble from under the bonnet, and even then, the six-speed automatic gearbox reins the revs back in beautifully to ensure the impeccable refinement is maintained.

When the 200EX goes on sale in 2011 as the Silver Ghost, more and more things will go bump in the night – as the lucky few with £180,000 to spend shuffle down to the garage for a midnight handshandy. No doubt about it, this is automotive porn. Whether you want to look at it, drive it or whack off over it, the car is simply stunning. And no matter how much the rest of the industry is struggling, it proves that the great Rolls-Royce brand is alive and kicking. ♣

CINDY

NATURAL BORN THRILLER!

Reckon you could give this
cock-mad cutie an entire
night of passion?

PHOTOS: JACK HARRISON

Some girls look brainy, some girls look interesting, and some girls look like they were born to fuck. Cindy here, in case you hadn't noticed, falls squarely into the last category.

"Hey, are you trying to say I'm not brainy or interesting!?" she protested, when we pointed this out to her during the shoot.

Not in the least – we certainly find you extremely interesting, and we wouldn't wish to disparage your intellectual abilities one jot. For all we know you could have travelled the world and have double honours in astrophysics and brain surgery from Cambridge and Harvard – it's just that, fundamentally, we reckon the thing you do best in the world is good, old-fashioned, dirty sex!

"Ah, you might have a point. As far as I'm concerned, there's nothing better than getting my pussy all juiced-up and sliding it down over some willing stud's pole. If I could find someone who was up to it, I'd happily fuck all night long. I managed four hours with a guy once, but I was still up for more when he was completely clapped out!"

Is that so? Well, we'd be more than happy to give it a go and see if we can keep you satisfied for a whole night.

"Really, you think you could do it all night long?!"

Well, we're not making any promises, but the first couple of minutes should be great! ♣

A NEW LEASE OF WIFE

A man was suffering from severe headaches for years with no relief. After trying all the usual cures he was finally referred to a headache specialist by his family doctor.

The specialist asked him what his symptoms were and he replied, "I get these blinding headaches kind of like a knife across my scalp and..." He was interrupted.

"And a heavy throbbing right behind the left ear?"

"Yes! Exactly! How did you know?"

"Well I am the world's greatest headache specialist, but I myself suffered from that same type of headache for many years. It is caused by a tension in the scalp muscles. This is how I cured it: Every day I would give my wife oral sex. When she came she would squeeze her legs together with all her strength and the pressure would relieve the tension in my head, and now it's completely pain-free! Try that every day

"It's from Arnold in the Iron maiden."

The doctor replied, "If she won't come in for a hearing test, you could try talking to her when you get home. If you get no response, then move a little closer and repeat what you've said. If she doesn't hear you at first, you can gauge just how deaf she is by how close you get, until she does hear."

Armed with this information, he sets off home. Opening the front door he notices his wife in the kitchen down the passageway, with her back to the door. Closing the door quietly, he says to his wife, "Hi honey, I'm home, what's for dinner?"

He gets no response, so he moves a little closer and says again, "Hi honey, I'm home, what's for dinner?" Still no response, so he enters the kitchen and says, "Hi honey, I'm home, what's for dinner?"

Again she doesn't respond, so he walks up to her, touches her arm, and says, "Hi honey, I'm home, what's for dinner?"

With that she reels around and shouts at him, "For the fourth fucking time, lamb chops, you deaf bastard!"

for two weeks and come back and let me know how you're getting on."

Two weeks went by and the man came back.

"Well, how do you feel?" the doctor asked.

"Doc, I'm a new man! I feel great! I haven't had a headache since I started this treatment! I can't thank

you enough. And, by the way... nice house!"

Jason, Loughton.

MORE BANGS FOR YOUR BUCK!

A couple were having financial problems until finally they couldn't stand it any more. The husband said to his wife that is was necessary for her to make some money through prostitution to get by.

So the husband drove her to the place where she had to do the job and left her, and in the evening he picked her up again.

"So, how much have you earned today?" the

husband asked.

"Well", the woman replied, totting up her cash, "I've made one hundred pounds and fifty pence."

"That's strange", the husband responded, "who gave you the fifty pence?"

"All of them, of course!"

Paul, Utoxeter.

looking at my pussy?"

"Yes, I'm sorry," replies the man and promises to avert his eyes.

"It's quite alright," replies the woman, "It's very talented – watch this, I'll make it blow a kiss to you." Sure enough the pussy blows him a kiss.

The man, who is getting really interested, enquires what else the wonder pussy can do. "I can also

make it wink," says the woman.

The man stares in amazement as the pussy winks at him.

"Come and sit next to me," suggests the woman, patting the seat. The man moves over and is asked, "Would you like to stick a couple of fingers in?"

Stunned, the man replies, "Fuck me! Can it whistle as well?"

Will, Derby.

CHOO CHOO MAMMA

A man is sitting on a train across from a busty blonde wearing a tiny mini skirt. Despite his efforts, he is unable to stop staring at the top of the woman's thighs. To his delight, he realises she's not wearing any underwear.

The blonde realises he is staring and enquires, "Are you

One way or another? What exactly does that mean?

“Ah, well I go to the gym a couple of times a week, but mostly I’ve been kept in shape thanks to my boyfriend. He’s very demanding in the bedroom, so I’m getting a good cardiovascular workout at least once a day!”

Really? How come it’s so demanding?

“Oh, well he really likes to screw me in different positions – each time we fuck he likes to get through at least six. Reverse cowgirl is the hardest for me, although I think he likes piledriver best at the moment. He seems to enjoy watching his cock disappearing inside my pussy...”

WHAT'S SHE LIKE? Liberated!

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

Because it's the best mag, of course! I love reading the stories and looking at the girls with my boyfriend (and sometimes without him, too!), and I wanted to find out if I had what it takes to appear in your Reader's Girlfriend section. I guess I do!

YEP, I THINK WE CAN SAFELY SAY YOU'VE GOT WHAT IT TAKES ALRIGHT! SO YOU LIKE LOOKING AT PICTURES OF NAKED GIRLS, EH?

Of course I do – who doesn't?! I mean, I've never had sex with a girl, but that doesn't mean I can't appreciate how sexy the girls in *Club* are, does it? And anyway, looking at the mag together always gets my boyfriend in the mood!

SO YOU'VE NEVER SHAGGED A GIRL. WOULD YOU LIKE TO TRY IT SOMETIME?

Why not? If the right girl came along. I've always been pretty keen on cocks, though, so there'd have to be a guy involved as well, I think!

ANY MESSAGE FOR CLUB READERS?

Well, if there are any sexy girls reading who fancy a threesome, look out for me! ♠

ALBUM REVIEWS

MANIC STREET PREACHERS

Journal For Plague Lovers
(Columbia)

The Manics were great, then went a bit pap, and are now very good again. The Taffys have used lyrics left behind by Richey Edwards – the guitarist who went AWOL back in 1995 – giving these songs the weirdness that they had in the early days whilst making Welsh girls rather moist.

SIMPLE MINDS

Graffiti Soul (Universal)

Renowned by the uneducated as cheese, Don't You (Forget About Me) will always be a classic on the Club

International wireless. After 17 albums, the Scots still haven't hung up their sporrans and it's no coincidence that the release of this album is in tune with Father's Day.

MISS KITTIN & THE HACKER

Two (Nobodys Bizness)

Filthy electro/techno at its very best – play at an unsocial level and piss off

your neighbours right through until Sunday afternoon. Best served chilled and with a few pills.

JON HOPKINS

Insides (Double Six)

2008 was a windfall for Jon Hopkins – he helped to produce some of Coldplay's Viva La Vida and then went

on a 6 month jolly around the States and Europe with Chris Martin & co. Bingo! Insides is full of instrumental electronica and is the kind of material that philosophy students like being fingered to.

JACK HARTLEY

Be Someone (Press Room)

A young lad from Up North giving it large on the rap scene – this is England's belated answer to Eminem! He's not

old enough to buy lager in pubs yet but probably gets his cock sucked off now and then – so it's all swings and roundabouts!

SPIT OR GALLOWS

Club chats to Gallows guitarist Laurent Barnard...

Have you ever been in trouble with the Old Bill?

Fairly recently I was desperate to pee and in Soho Square they used to have a public toilet but because of the building works they have moved it. I couldn't wait any longer and it was dark, so just as I was about to pee I felt a tap on my shoulder and it was a policeman. He walked me to a restaurant and asked the owner if I could use his WC. Not the coolest thing ever, I know!

Have you ever killed an animal?

Nah man, if I see a hedgehog crossing the road I'll slam the brakes on and let it cross. When I was a kid I went to the zoo and we went to see the tiger enclosure. We were amazed at how close we had got to a real tiger. Next thing I know the tiger has turned around, lifted up its tail and pissed all over us! A tiger pissed on me – I feel pretty special actually.

I've been shat on by a pigeon – is that special? Where is the best place you have been?

Japan. The culture is amazing and the people are so welcoming. It's a bit like going to

another planet – it is so different.

Did you bang any Japanese girls?

Nah, I had a girlfriend at the time. This one time I was coming back from a bar at two in the morning and two girls came up to me and went, "Ahh, Gallows!" They had a copy of the CD that they asked me to sign and they gave me a bag of skull shaped sweets. Not bad, eh?

I bet you wish you hadn't had a girlfriend!?

Yeah – there was two of them as well!

Ever had a threesome?

Yeah I have. It was at a festival and it was in one of my mate's band's dressing rooms. I don't want to say who because they are pretty big and not so innocent. I remember at the time I was thinking, "I have to enjoy every moment of this!" They were both brunettes and they were both from Holland.

Have you ever been caught having a wank?

I haven't actually, surprisingly enough. I remember we were on tour with this American band and

it was one of those locks where you could just use a coin to open it. We had our camera so we thought it would be funny to barge in and see what was going on, and this guy was having a wank sat down in the shower!

Ever shagged a fat bird?

No – if it ever comes close then my mates always pull me away. There are times when you need your mates and it's times like those – they can be your eyes when yours aren't working.

Do you like strip clubs?

I've been to a few but I'm not into the idea of getting all horny in a club and then you're kind of left there doing nothing. I've been to quite a few around the world and I like to see what the differences are in other countries. I'm more like a cultural observer of strip clubs instead of going there just for the tits. Me and the bass player have been thinking of writing a book about strip clubs – we could rate the girls and tell you what they do and don't do – I think there's money in that to be honest.

Brilliant Laurent – keep on shaggin' mate.

Grey Britain is out now. Gallows play the Reading & Leeds festivals in August

THE CHRONICLES OF RIDDICK: ASSAULT ON DARK ATHENA

(Atari) XBOX360, PS3, PC

★★★★

Vin Diesel seems to be involved with about one in three of all the games getting released these days, and fuck us if he isn't here again! Still Riddick's been a pretty solid banker ever since its inception a few years back, and fans shouldn't be disappointed by this latest addition to the range. OK, so in essence it's an updating of Escape From Butcher's Bay, but there are plenty of additions to the game that should keep everyone happy enough, including a multi-player, a whole new campaign and, of course, the creepy Merc-ship the Dark Athena. But what's the most important addition of all? Well, duh, you can play on the PS3 now, that's what.

ON THE CASE

MOTOGP

(Capcom) Wii

★★★★

OK, so on its MotoGP 08 guise this game is available for all sorts of platforms, it's got Wii written all over it, making the Wii remote a set of handlebars (rather than an unconvincing steering wheel, say). That's right, it's a full on arcade, and this time round it lets you choose between 125cc, 250cc or full on MotoGP, so you can ease yourself into things a bit – just like real life. The AI of the opposition on offer is nicely modulated, too, giving you a chance to cop a few chequered flags early on in your career. And if that weren't enough, there's a comprehensive tutorial function that should have you hugging those corners and whipping everyone else's arses in no time. On top of that there are plenty of mini challenges to keep you interested in unlocking extra content. Sweet.

SECRET FILES 2: PURITAS CORDIS

(Deep Silver) PC, Wii, DS

★★★

A generation of gamers has grown up now that expects to be able to crash their motors into civilians at bus stops, or top prossies for jollies, but there remains another breed of gamer – a gentler breed that likes nothing better than sitting there for hours trying to work out what the fuck they're supposed to be doing. Yes, we're talking about adventure gamers here – the kind who'd happily spend weeks in the company of foxy Russian babe Nina Kalenkov as she trots round the globe on the trail of a mysterious organisation that's hell-bent on fucking up the world (as is their wont). This follow up to Secret Files: Tunguska is cut from the same cloth, with all sorts of puzzles for Nina and her (now ex-)squeeze Max to decypher before moving on, and it's a bit better – graphics, sound and gameplay all having been cranked up a notch along the way.

CRISIS? WHAT CRISIS?

I'm a fairly happily married family man in my early thirties. Like most guys my age and in my position I thought my days of one night stands and hot pussy were behind me. However, that all changed last month, and it's all down to the recession!

I run my own warehousing business and when times were good I took on staff to help me cope with the influx of work. One of the girls I took on is called Nicole, she was 19 when she started a couple of years back, and if I'm honest one of the main reasons she got the job was because she turned up for the interview with five or six of her blouse buttons undone, giving me a fantastic view of voluptuous tits which were completely out of proportion to her trim body, the round swell of her boobs encased in a frilly, sheer black bra exposed through the gap in her shirt certainly gave her the edge! Not to mention that she's almost six feet tall, blonde, gorgeous, and with a mouth-watering peach of an arse.

Needless to say, at the interview I was so busy staring at her tits and imagining what it would be like to have her pretty little mouth sucking away at my bell-end and wondering if she'd noticed my cock trying to escape from my trousers that I'm not sure I took in any of her replies. Let's face it, she was going to get the job from the first second she walked into the office – she knew it and so did I.

I was to be disappointed though when she started work for us, she never wore anything so revealing again, instead preferring dowdy sweaters and jeans, although I had to admire the way she had played me – and anyway, she was very good at her job. Besides, no matter what she wore she couldn't cover up her

gorgeous face or disguise fully her curvy full breasts and her perfect young arse, which I ogled more often than I probably should have.

Just over a month ago, the effects of the recession had truly taken a hold of my business and quite simply there was more money going out than coming in. On that Friday, and with a heavy heart, I called all the staff together and explained that I was going to have to make cuts to save some money and help preserve the business, and that whilst I wasn't sure who would be going I wanted to be honest and let them know the situation and that I'd have a clearer idea by the end of the following week. That night the staff went home fearing for their jobs, but I hoped they would understand it was nothing personal.

As usual I stayed behind for a couple of hours, checking stock and tidying up paperwork, and at about 6.30pm the entry buzzer went. It was Nicole, asking to be let in as she'd forgotten her purse. I buzzed her in and my jaw almost hit the floor when she walked in, she looked like she was going for an audition with the Pussycat Dolls! Her long blonde hair was scraped back into a sexy ponytail, fully exposing her lovely face. She had on an extremely tight, almost see-through blouse with short sleeves, and just like at the interview she had left the top six or so buttons undone and her titties seemed to be fighting each other to get at the fresh air! Her lacy bra was visible through her thin blouse. She had on a black, pleated miniskirt, hugging her thin waist and just barely covering her panties showing off her long tanned legs, exposed in all their glory, and finally a pair of shiny black ankle boots with stilettos. I was almost speechless.

She thanked me for letting her in and said she needed her purse as she was meeting someone later on that night, she then turned her back on me and started rummaging through her drawers (*Heh-heh! – Ed.*). This gave me the perfect opportunity to dip my head and look up her scandalously short skirt as her long lithe frame was almost bent over double. She had on a thin white pair of nylon panties that were more or less see-through on her beautiful arse cheeks, and as her legs were slightly apart I could make out the faint outline of her pussy lips through her gusset. I was so horny my cock felt the hardest it has ever been. I cleared my throat and asked her who the lucky guy was?

Without straightening up, Nicole looked round and fixed me with a hypnotic stare from her deep blue eyes, and in her soft voice she said, "You are, you silly man! Don't think I haven't noticed the way you're always staring at my arse and tits? Do you think I've never noticed that big bulge in your trousers whenever you've been ogling me?"

My mouth went dry, and without even answering her I sank to my knees behind her and ran my hands from the bottom of her legs

right to the top, slipping them inside her panties and massaging those firm arse cheeks of hers, before slipping her wispy little knickers off and spreading open her cheeks to have a good look at her arse and moist pussy to drink in the incredibly horny sight!

I went to town on her, licking all over that tasty little pussy of hers, making her moan with pleasure as my tongue went in and out of it, lapping at her sweet juices whilst reaching round and rubbing her stiff little clit with my thumb. After a couple of minutes of lapping away at her she turned round and pulled me upright face to face with her.

"Let me taste my juices on your tongue," she

"Let me taste my juices on your tongue," she said, and we kissed, with her tongue darting in and out of my mouth..."

said, and we kissed, with her darting her tongue in and out of my mouth as we devoured each other. Her nimble hands reached for my trouser buttons, which she expertly undid, and in no time at all had my rod in her hands, wanking it off furiously as we kissed. My own hands had been busy too as I had ripped open her blouse and taken off her bra to reveal her unbelievably pert tits. I had to break off from kissing her – fantastic though it was – as I just had to get my lips round those lovely nipples of hers. She moaned with pleasure as I started sucking on her boobs whilst she kept up the wanking rhythm on my stiff member. Before long I literally buried my head in them and was in total

heaven, her tits were everything I'd imagined them to be – very, very tasty!

I think I would still be there to this day, stuck between those orbs of pleasure, but Nicole had other thoughts. She pulled my reluctant head off her nipples and leant over the desk.

"Fuck me good and hard, Dave," she ordered, "but make sure you don't come in me – I want your spunk all over my face and tits!"

No arguments there! I got round behind her, held onto her arse cheeks and thrust my aching cock into her wet, inviting pussy. Her cunt had such a tight grip of my manhood it was fantastic and I thrust away, gradually getting harder and harder, the longer and deeper my strokes the more she moaned in delight. Eventually, after a couple of minutes of this, I could feel her pussy spasm on my cock as she came and came – she moaned deliriously as she pushed her arse onto me as hard as she could. It was all I could do to keep standing.

When she had finished she turned around and got on her knees in front of me, grabbing hold of my cock and hungrily licking it all over, tasting her own come and wanking me furiously into her mouth while rubbing my balls with her hand. It was too much and I could contain myself no longer and emptied my aching balls all over her mouth, chin and finally her marvellous bouncy tits, Nicole all the while giving encouraging sighs of pleasure.

It was the most intense orgasm of my life and it took me a while to come to my senses. Nicole

licked my cock before sucking the last drops of come from it.

"Same time next week then, boss?" she smiled, and left after getting dressed.

I suppose she must have thought that fucking me like this might guarantee she survived the round of redundancies that was coming up, but to be honest she's so good at her job that there was never any question of me letting her go anyway! Still, I didn't see the point in mentioning

"Her cunt had such a tight grip on my manhood it was fantastic and I thrust away..."

this fact, and to this day we're still keeping our Friday appointments – and just thinking about what we're going to be getting up to once a week has got me so horny that even my wife has benefited, because I'm screwing her a lot more often than I used to!

Dave, Leicester.

GETTING WOOD!

Me and my girlfriend Lucy have been together for three years now, but the sex is just as it was back when we first got together. For a start, she's gorgeous, with pert little tits, long legs and

a fantastic arse that I never tire of playing with, and she's always up for trying something new and often instigates sex by surprising me with some lurid fantasy that she's decided we need to act out.

Last week, for example, we'd been invited to a house party by a couple we know and had a great time drinking and chatting for most of the evening. Lucy had as usual flirted with a few guys, as she knows that it turns me on and she'd made a point of letting me know she was wearing stockings and no panties under her black velvet cocktail dress by getting me to secretly grope up her skirt while she was chatting to some folk in the dimly lit hallway. I actually managed to get a finger inside her cunt from behind without anyone noticing, although they may have wondered why she was breathing oddly between sentences.

As we walked to the kitchen to get another drink, Lucy grabbed the finger I had pushed into her gooey hole and sucked it as though it was my cock with a dirty grin on her face. She was clearly keen to take things a bit further!

My dick was rock hard by now and we were both in the mood for a fuck – but where? These weren't the sort of people where you could just sneak off to a bedroom shut the door and hump on a pile of coats, so we wandered out into the garden. In the darkness we staggered about desperate to find somewhere, but although the garden was large there wasn't a shed or

Catch these two on heat at:

www.paulraymond.com/club

anything convenient – until Lucy discovered the treehouse!

Even though we'd been to the house before for a barbecue last summer I'd forgotten the rather plush treehouse they'd built for their kids.

It had a stepladder fitted to the trunk and Lucy started to climb up before I had a chance to stop her. Half way up she stopped, and in the light coming from the house I could see her hoist her dress up over her arse. She slightly spread her legs and that juicy butt was exactly at the right height for me to lick down the crack before pushing my face between her buttocks and tickling her bumhole with my tongue. Lucy groaned and pushed her arse down onto my face nearly suffocating me. As I licked her rear I worked a finger into her cunt and began to finger fuck her as she wriggled her arse up and down. My cock was hurting in the tight confines of my trousers and I needed to free it quickly, so I pushed her upwards towards the little wooden platform about eight feet above the ground.

I carried on fingering Lucy as she climbed, and as soon as she reached the treehouse she lay back on the planks, her stockings legs dangling over the side. I climbed until my face was pussy height and stuck my head between her thighs. I pushed my tongue into Lucy's

lovely sodden gash and slurped on the thick juices that were oozing out of her. The feel of her nylons against my cheeks made my dick twitch painfully so I unzipped my trousers and dragged out my cock, wanking it slowly as I pistoned my tongue in and out of my girlfriend's cunt. With a shudder she came in my mouth and I eagerly swallowed the come that seemed to squirt from her tunnel.

My face smeared in fanny liquid, I climbed further up the ladder until my cock was in the right position to enter Lucy's cunt. Lifting her legs onto my shoulders, I pressed my swollen knob against the entrance to her hole and leant forward. The dirty cow was so wet I slipped straight up to my balls in her gooey muff.

Even though I was balanced precariously half way up a tree, the situation made the sex even hornier and I started to pump my prick in and out of Lucy while she freed her tits for me to suck on.

The sound of the party was drowned out by our heavy breathing as our fucking became more and more energetic. The creaking of the wood and swaying of the tree would have been more than a bit alarming if we hadn't been so into our screw but with my cock plunging as deep as it could go and a mouthful of warm soft

breast to suck on, I certainly didn't give a fuck.

Lucy stuffed her hand between our humping bodies so she could work on her clit, and within seconds stifled a yell as she shuddered to her second climax.

Feeling like Tarzan giving Jane a good seeing to, I chewed on Lucy's nipples and banged her as fast and as hard as I could. The whole treehouse was shaking and wobbling alarmingly but I was about to shoot my load and nothing was going to stop the spunk rising in my balls.

Calling Lucy every filthy name under the sun I jammed my dick right up her slit and began to squirt her full of seed. She writhed beneath me and drained every drop of sperm from my throbbing cock until her pussy was squelching sludge all around the base of my meat.

We stayed in that position while we recovered from our passion before my shrinking dick slipped out of her on a stream of come. After cleaning ourselves up as best we could we returned to the party with Lucy making a hasty trip to the toilet to redo her make-up and get the bits of wood and twigs out of her hair.

I reckon a few people must have guessed what we'd been up to in the garden but I'm sure no-one realised we'd actually fucked up a tree!

OFF YOUR HEDONIST

Brutal deaths, lesbo perviness, druggy lunacy and a snooty Nicole Kidman – what more do you want, eh?

RATINGS: ★ (BA') TAT! ★★ NEY, LAD! ★★★ 'APPEN... ★★★★★ EY OOP! ★★★★★ FLIPPIN' NORA!

Red Riding (Optimum Home Entertainment)

Once in a while the terrestrial channels like to put on a BIG TV moment, when they pull out all the stops to garner some credibility and (hopefully) awards! Channel 4's most recent entry into this category was its trilogy of movie-length adaptations of David Peace's Red Riding

Quartet (one seems to have been dropped). Set in the 70s and early 80s, they weave dramatised versions of real events revolving round the Yorkshire Police with out-and-out fiction (you'd like to think), with all sorts of corruption and brutality standing in the way of some serious – and seriously flawed – investigations. With big names like Sean Bean, Warren Clarke and Paddy Considine, this is whopping stuff, and while some of the episodes might feel a little overlong, there's no doubting the quality of the production. ★★★★★

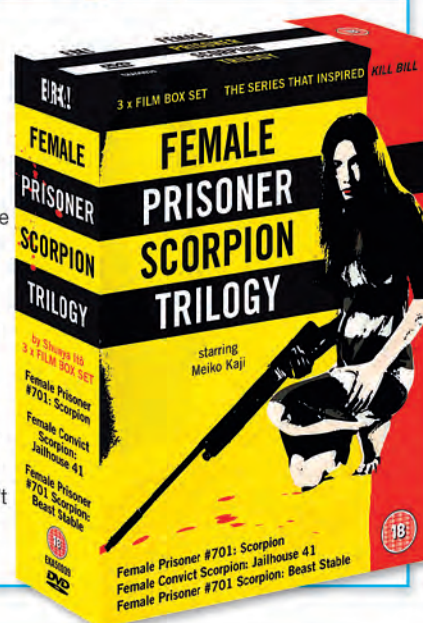

Mirrors (20th Century Fox)

Horror's had a bit of a thing for mirrors going right back to a vampire's inability to reflect, and many's the time audiences have been given a jump by something creepy in the looking glass. This 2008 film, featuring Kiefer Sutherland moonlighting between 24 and prison takes the sinister side of mirrors as its theme. Kief plays a security guard at a disused department store, whose gory secrets are slowly revealed by the mirrors. It's gruesome stuff, and the DVD features a grislier edit than cinema audiences got, too... ★★

Female Prisoner Scorpion Trilogy (Eureka)

Female prisoner movies were all the rage in the 70s, and while Jess Franco was churning them out in Europe, over in Japan director Shunya Itô was doing his bit too – and to modern eyes these Japanese offerings stand the test of time a lot better. Maybe it's because of the *Kill Bill* thing, but the whole 'vengeance of a wronged Japanese woman' still seems to do the trick. Simmering Meiko Kaji stars in all three of these films, which feature all the requisite elements – naked women in the shower, occasional lesbianism, sadistic violence and proper grindhouse gore. It doesn't get much cultier than this! ★★★

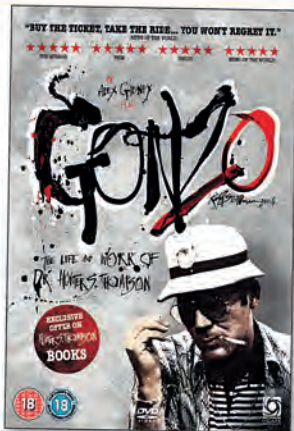

Australia (20th Century Fox)

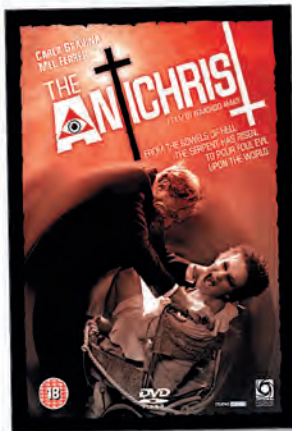

Director Baz Luhrmann bit off a pretty big mouthful of a project here, with his attempt to portray – and mythologize – the evolution of an entire nation. Nicole Kidman stars as the snooty English lady who, after finding herself in the wilds of North Australia, falls for cattle drover Hugh Jackman, faces a fair bit of adversity from some local ne'er-do-wells, but comes out on top in the end! The cinematography is, as you might expect, breathtaking (although overly CGI-ed in places) but the tone of the film is pretty uneven, leaving viewers a bit baffled about what the whole point was – other than encouraging tourism, of course... ★★★

Gonzo (Optimum Home Entertainment)

In this day and age 'Gonzo' usually means no frills scruff, but when the word was coined back in 1970, it was describing the kind of free-wheeling immersive journalism engaged in by legendary American writer Hunter S. Thompson. Anyone who's seen or read *Fear and Loathing in Las Vegas* should have a fair idea of what we're on about, and this documentary about Thompson gives a good overview of his cultural significance and fierce individualism. Narrated by Johnny Depp, this is as insightful a look into a defining era of modern American history as you're likely to get... ★★★

The Antichrist (Optimum Home Entertainment)

The Italians have always been fond of over-the-top horror, and this 1974 offering, clearly inspired by the previous year's *The Exorcist*, ticks all the right boxes. Whereas *The Exorcist* had a young girl possessed, this time round it's the rather feistier Carla Gravina who gets a diabolical (meat) injection. Cured of her paralysis, she goes on a rampage of seduction and murder until she starts barking satanic curses at all on sundry. Luckily a monk's on hand to attempt an exorcism, while her father chases her into the Colosseum and bashes her against a giant cross till she's cured! Bonkers, but fun. ★★★

Baba Yaga (Shameless)

Comic adaptations for the big screen aimed at adults are nothing new, so while this year comic fans got *The Watchmen* to get their knickers in a twist about, 35 years ago they got this slab of S&M-themed lunacy! Directed by Corrado Farina and based on Guido Crepax's *Valentina* book of the same name, *Baba Yaga* is the sort of Euroflick that must have had UK audiences weeping as they sat through another *Confessions* film. Carrol Baker stars as the eponymous witch, who's desperate to corrupt young Valentina and get into her knickers, and you can't really blame her... ★★★

Tipple

Each issue, purely in the interests of investigative journalism, Club's dedicated team will be tracking down and taste testing some premium booze just so we can give you the lowdown. This month we're feeling the pinch...

Diamond White

What...

Well, if you read the label closely enough you'll come across the word 'cider'. But before you start getting all dewy eyed as you picture scenes of happy bucolics sitting around in their smocks chewing on straws and supping the golden-hued nectar of ages past, be aware that this is, ahem, white cider, which means it's industrially produced from the waste products of normal cider brewing. In fact it's hard to say how much of the actual booze is even derived from apples, what with there being no ingredients listed on the bottle (erm, other than sugar and sweeteners), so it's a pretty safe bet that a lot of it comes from the addition of corn syrup or glucose.

Why...

One reason and one reason only – cost. In a 2 litre bottle of this stuff you get no less than 15 units of alcohol (it's a whopping 7.5% vol.), which at the marked price works out at just over 18p a unit! Fucking hell, that works out at the equivalent of 36p for a pint's worth. Fancy a 7¹/₂ pint bender for less than three quid? Well, it's right there for you, waiting on the middle shelf of your local convenience store!

Where...

At home, with your mates, while you're mum and dad are out. Let's face it, nobody over the age of about 14 is going to want to neck this stuff, are they?

When...

During a severe economic downturn – or puberty. There's really no excuse any other time, is there?

How...

Cautiously – it'll lay you out quicker than you think, and the hangover'll be a killer.

Who...

Quite. ♣

PEACHES

It's the only place to find all of your bum banter and tales of backdoor fun – every single month!

SPECIAL RELATIONSHIP

I'm over here from America on my gap year and I have to say I love your mag! The girls are stunning and it's so classy compared to the ones we have back home.

Brit babes are awesome too, and I've had a few great fuck sessions since I arrived. Folk back home talk about how English girls are reserved but from my (sadly!) limited experience, I think the exact opposite is true, especially since my first butt-shag last weekend.

I'd met Debbie the week before in a pub and we really hit it off. She is insatiable when it comes to sex and wore me out the first night I balled her. She's quite thin and athletic but with lovely big breasts and huge nipples that are just crying out to be sucked.

In fact she goes wild when her tits are sucked and can actually come without me going anywhere near her pussy as long as I work those teats with my fingers as well as my mouth.

Anyhow, last Friday I went round to her flat

and after a meal and a few drinks, we were both hot for each other's bodies. We went straight to the bedroom and began kissing and fooling around on the bed.

Debbie unzipped my jeans and got out my dick while I kissed down her neck until I reached her boobs. She was jerking me off slowly as I latched onto one breast, gently chewing on the nipple as she started to squirm beneath me. My dick was rigid in seconds and I worked the other nipple between my finger and thumb as Debbie's breathing became heavier, signalling the beginning of her first orgasm of the evening. I moved my hand down her stomach and let my fingers trace along the entrance to her cunt. The tit play was doing the trick and I could feel the juice already oozing from her hole. To hasten her climax I pushed my finger into her gooey folds and slid them up her until they were completely buried inside her.

Debbie's body tensed and she came over my embedded fingers with a moan

of pleasure, her thighs shaking as the waves of lust coursed through her while the muscles of her snatch clenched my fingers deep within her love tunnel.

A second later, Debbie was on top of me, licking up and down my cock as though it were her favourite lollipop. I lay back and she lowered her dripping wet cunt onto my face, smothering me in pussy and gripping my head between her thighs. I stuffed my tongue into her juicy slit and slurped the come out of her, gulping it down as she reciprocated by sticking my twitching meat in her mouth and sucking me expertly.

As I ground my mouth against her muff, I gripped her lovely arse with my hands and pulled her ass-cheeks wide apart as that allowed me even deeper access to her pussy.

My fingers were far down the crack of her butt and I started to tickle the tight door to her rear as I slurped away. Debbie reacted by clutching my cock hard and jerking it as she noisily sucked the tip.

I used some of Debbie's juice that was smeared all over her thighs, cunt, and now my

“Debbie's tight, well-oiled tunnel squeezed my shaft like a vice with each thrust...”

face, to lubricate her asshole until I could push my finger inside. Debbie loved it and squirmed as I delved deeper up her butt.

Between mouthfuls of cock Debbie pleaded with me to work her rear some more so I obliged by inserting another finger, before fucking her back passage, sliding my fingers all the way out and then sliding them back in as I continued to tongue her sodden twat.

Debbie came a second time, filling my mouth with so much of her that I had trouble gulping it down.

“Fuck my arse!” Debbie begged sliding off my body.

I pulled her onto all fours and knelt behind her, my saliva coated dick poised in between the curves of her buttocks. I wiped my prick up and down her crack in order to spread as much of her cunt fluid over the shaft before entry. Debbie thrust her hand between her legs and fiddled with her soaking slit as I carefully pressed my rock hard tool harder against her tiny hole. Suddenly the tip of my cock disappeared from view as her arse opened to accept me. Debbie let out a yelp of shock and pushed herself backwards, forcing my tool deeper up her ass. Jeez, it was so tight and being able to clearly see it lodged in her was a real turn-on as I'd never been lucky

enough to fuck a girl's butt before now.

Debbie pushed down on me some more until my whole prick was embedded up her tunnel and my balls were resting against her wet cunt where her fingers frantically rubbed the lips for added pleasure.

I slowly withdrew before pushing back inside as Debbie groaned her appreciation. I repeated the movement a bit faster and then faster still until I was fucking her butt as fast as I would normally fuck her cunt. I bent over her and began to fiddle with her swinging tits as I pumped her rear. I've never felt such sensation in my dick as Debbie's tight, well oiled tunnel squeezed my shaft like a vice with each thrust. I could even feel her fingers squirming inside her cunt as I banged her.

I had to come, and gave her arse one more deep plunging poke before dragging my pulsing cock clear of her asshole. Debbie helpfully grabbed her buttocks and pulled them apart, stretching the already gaping entrance to her arse wide open. I fired a round of spunk directly into the hole and then splattered her buttcheeks and crack with jet after jet of thick sticky cream. It was great watching my goo ooze out of her twitching hole and dribble down between the slightly parted lips of her cunt before forming a pool of sperm on the bed.

Debbie showed me a whole new side to fucking that night. I came over here to study but I never realised I was going to have quite so much fun!

JURY DUTY BEAUTY

My girlfriend Janine has always been a bit of a tomboy, which certainly has its advantages – for a start I've never had to sit through a chick flick with her. She works outdoors with the forestry commission so pretty much every day it's baggy jeans, T-shirts and goretex. Dressing up normally involves throwing on a clean T-shirt, so she was a little stuck for what to wear when the jury duty citation dropped through the door the other week. I suggested she treated herself to a nice suit or something, maybe even a pair of heels. She sensed where I was going and said I'd have to wait and see, reminding me that she would have to look professional. Now although I've always been a fan of the sexy businesswoman look I wasn't sure how far she would go – but she was certainly enjoying teasing me!

When the first day of her jury service came round I had to be at work early. Just before I left she called me into the bathroom where she was getting a good soak. Or so I thought. As I kissed her goodbye she grabbed my hand and pulled it under the water to feel her freshly shaved pussy. "I've got to get dressed up, and it could be a very stressful day so I'm going to need to unwind later," she smiled. My cock instantly sprang to life, but for now it would have to wait.

She sent a text late in the afternoon saying that she had not been selected that day and would be at home waiting. This was soon followed by a close up photo of her freshly shaven and glistening cunt. It's safe to say once the clock had ticked round to five o'clock I didn't hang around and headed straight home.

As soon as I entered the front door she was standing in the hallway looking unbelievably hot. Dressed in a figure hugging suit, her tight white blouse was stretched over her tits revealing her black lacy underwear. She'd also ditched her usual sensible shoes for a pair of bright red stilettos that screamed out "Slut". My cock sprang to life but she immediately made it very clear that she was top dog.

"I've been waiting for you and you're late - I've had to finger my own pussy and now it needs to be licked," she said.

At this point she hitched up her short skirt to reveal sheer stockings, suspenders and that knickerless shaven snatch that I'd been waiting for all day. I dropped to my knees as she spread her legs and received my tongue on her glistening snatch. She clearly had been giving herself a good frig as her cunt juices, which I gleefully licked up, were practically running down her legs. I reached round to finger her tight arsehole but again she made it clear that she was in charge.

"We'll get to that hole in good time. Now get your cock out. I want something to suck." I didn't need asking twice. As I stood up, it was her turn to drop to her knees, and after a few licks of my tip she took my full length right down her throat. I couldn't help wondering what this horny bitch had done with my tomboy girlfriend but I wasn't going to complain! As she sucked on my rigid prick I could see she was fingering her soaking pussy. To be honest

"Her hole glistened before me, already smeared with plenty of fanny juice..."

I would have been perfectly happy to shoot my load over her face there and then but she suddenly spat my cock out and asked:

"Where would you like to stick your cock now?"

As I hesitated she said firmly, "I want it up my arse, and don't worry about looking for lube I've been getting it ready for you while I was waiting." With this she slurped on my prick once more covering it with a mixture of my own pre-come and her spit.

She then proceeded to take off her suit and blouse while keeping on her stockings and heels before bending over the couch and reaching behind to spread open her arse cheeks for me. She clearly had been giving this hole plenty of attention as it glistened before me, already smeared with plenty of fanny juice and beginning to gape, just begging for my throbbing cock as I pushed my tip against it.

"I want your cock buried deep up my arsehole now," she ordered, and as I pushed, her bumhole welcomed me in and my rock hard prick was soon snugly engulfed in my favourite fuck hole. As I started to pump her ring I felt her shudder, her orgasm clearly approaching.

"Fill me with come and make me yours!" she gasped as her orgasm took hold of her, and so I upped my pace, slamming into her as she quivered and sobbed through a massive climax. I can never last for long when Janine's coming and I'm pumping her arse, and sure enough, it was only a matter of seconds before I relaxed and shot my load deep into her arse, thick jet after thick jet of my salty come filling her up completely. As my orgasm subsided I could feel her tight ring continue to milk my prick for every single drop it had before I finally slipped out of her come-oozing hole.

As we lay there in a heady mix of sweat I had to ask, "What the fuck was that all about? That was amazing!" to which she responded:

"I guess it was just something about the outfit. Still, I rather enjoyed it, didn't you? Perhaps we could do it again sometime..."

I could only nod in agreement, and I'm pleased to say we have had quite a few repeat performances since then. In fact I'm thinking about giving her a couple of hundred quid to go out and get herself a few more smart outfits!

SCRUFF JUSTICE!

If you're not married to a minister and can't get your scruff on parliamentary expenses, try these instead!

RATINGS: ★ REGISTER ★★ BREAK TIME ★★★ LUNCH HOUR ★★★★★ FINISHING SCHOOL ★★★★★ HOME FOR TEA!

Young Harlots: Finishing School (Harmony)

Regular readers will know that we've been quite impressed by earlier installments in Gazzman's *Young Harlots* series for Harmony, so strangely enough it wasn't too long before this one somehow found its way onto the 'reviewing monitor'. This time the action appear to have moved abroad, but the sex is still as in your face as you'd expect, and Sunny Jay's first to the crease, taking a solid DP from the deranged janitor and one of the profs, until her poor jackie looks like it could use a month or two off. Scene two's Nataly keeps things strictly front-door but she's still a dirty little minx, before up pops *Club* cutie Sarah (AKA Satin Bloom) to take a back-scuttling in the next scene, which even a touch of shaving rash can't spoil. There's plenty more filth to come, with Jenny Baby's triple-dicking deserving particular mention in what's ultimately another satisfying YH title. Are we imagining it, though, or are things perhaps starting to run out of steam a tad...? ★★★★★

Black Owned 3 (Jules Jordan Video)

Jules Jordan's one of the masters of anal-obsessed filth, and while this is, ostensibly, an interracial-themed flick, there's also plenty of bummary thrown in! Opener Julia Ann gives us a pretty good idea of what's in store – she's a big-titted blonde, who gets all her holes plundered by her black stud, whilst Shayla Stylez goes one better by getting DPed by about two feet of afro-pipe. More black on blonde bum-bastics courtesy of Anette Schwartz (with a funny nasal pop) and more DP action with Andi Anderson before the only non-blonde, the flaming-haired Raven Black(?), appears. Then a three-on-one for Aline sees us out in filthy, fashion. ★★★

Walton Street (Film Erotica)

Film Erotica tend to avoid titles like *Come Covered Fuck Holes 5*, but naming a bongo film after a Kensington Street? That's pretty far out! There's plenty of English talent on display, here; shaven fannied Sophie's first up, getting a drilling from her equally shorn fella, then there's some girl/girl with Alexandra and the very English looking Syren. Geordie Chambermaid Satine's next up, taking an eye-pleasing enough screw from a hotel guest. There are a couple more scenes to come, and each one's nicely shot, but there's nothing too rude to keep raincoaters happy – just people having it off, really! Ideal couple-friendly porn, in other words... ★★★

I LAY TO LOVE YOU BABY!

What could be better than a night on the tiles with this dirty little minx?

PHOTOS: A. HAYEK

What is it that's so sexy about seeing a girl in a bathroom? You really can't top the idea of a mucky bathroom bunk-up, can you?

"I totally agree!" chipped in Nichola when we were musing on this subject during the shoot. "Some of my greatest ever fucks have been in the bathroom!"

Oh, really? tell us more...

"Well, I was at a party at a friend's house a couple of years ago, and got chatting to this guy. One thing led to another, and before long we were all over each other. I was so desperate to fuck him I couldn't wait to get home, so we sneaked upstairs and locked ourselves in the bathroom. I sat on the toilet while he stood in front of me, his thick prick all ready for action, and I couldn't get enough – I slurped away for ages before we swapped places and I lowered myself down onto him. I put my hands on his shoulder and rode him for all I was worth until he exploded inside me, filling my sopping hole with his seed. After that we headed straight to mine!"

And do you fancy a repeat performance right here?

"Hmm, now you mention it, I just might!" ♣

There's nothing bog standard about...

DOUBLE IN PARADISE!

Two saucy lezzers making out in the sun? Oh, go on then!

PHOTOS: SAGE STYLE

Sometimes it can get very unsettling, having to up sticks every few weeks and jet off to sunnier climes to oversee shoots like this, in which a couple of world famous pornstars set to work on each other's pussies. You know, occasionally you just fancy chilling out at home, watching an episode of *The Bill* or something and rustling up something from the fridge for dinner, rather than lounging around in the sun sipping cocktails while two of the world's most desirable women go at it hammer and tongs not six feet in front of you. And then there's the added worry that, once the shoot is over, one – or both – of the girls might want to carry on the fun long into the evening, and want to drag you in as well! Christ on a bike, it can all get a bit much at times, I can tell you. Then again, there have got to be worse ways to earn a crust – and all that duty-free comes in handy at Christmas... ♣

STICK IT IN THE REAR!

CHECK OUT MORE RUBBISH THAT'S BEEN FILLING UP OUR INBOX.
GOT MORE TO SEND? GET IT OVER TO clubint@paulraymond.com

LIGHTS, CAMERA... TRACTION!

Sometimes it's best to check whether the zoom is on, and if it isn't, retreat another 100 yards.

ART ATTACK

Michelangelo's David couldn't be accused of having a whopper...

REVENGE OF THE PITH

Sorry guys - we didn't mean to, um, in-Vader your privacy.

PAPAL BULL

Just what everybody needs - a holy johnny. As long as it ain't holey, too!

STRAP-ON COCK

These intensive battery farming techniques are getting silly!

SLEEP TIGHT

The new £20 Economic Downturn mattress was selling well...

CAN YOU SPOT THE HITCH?

To be honest, mate, unless you want to ditch the axe, you're probably better off walking.

ATTENT-YAWN!

We think it's funny, but his entire village probably got wiped off the face of the map for this one.
